Thursday 6th April 2006
Perth, Western Australia

ASG Appoints New General Manager, WA

IT services provider ASG Group Limited (ASX: ASZ) today announced the appointment of Murray Rosa as General Manager, Western Region.

Mr Rosa will be responsible for business operations in Western Australia and will join CEO Geoff Lewis and recently appointed General Manager, Southern Region Rob Bild in driving ASG's national expansion strategy.

A well known figure in the Australian IT marketplace, Mr Rosa has had an illustrious career with major outsourcing organisations, including Unisys and Computer Sciences Corporation (CSC).

At Unisys, Mr Rosa secured the Company's largest outsourcing contract in Australia – valued at \$200million – which resulted in the establishment of the Unisys/Bankwest joint venture Unisys West. As CEO of Unisys West, Mr Rosa oversaw the expansion of local operations from 73 staff to 147 in September 2000.

ASG Chief Executive Officer Geoff Lewis said Mr Rosa's experience in the IT services industry makes him an outstanding addition to ASG's executive team.

"We are thrilled to be able to add someone of Murray's calibre to the team – particularly as the Company undergoes strong growth in its national operations," he said.

"Murray's appointment is a real coup for ASG and I am very excited at the prospect of working with him."

Mr Rosa replaces Colin Leman who will be retiring from the position. Mr Lewis said that he was grateful for Mr Leman's contribution to the Company.

"On behalf of the Board of Directors and the employees of the Company, we would like to express our appreciation to Colin for his outstanding contribution to ASG," said Mr Lewis.

"Colin has been a valuable member of the ASG executive team for 6 years and an exceptional operations manager."

ASG Group Ltd
ABN 13 075 039 039

"We wish Colin all the best of luck and thank him for his significant contributions to the Company," he said.

Mr Leman will continue to work with ASG through a consulting role for the next 12 months. Mr Rosa will commence work at ASG on Monday, 1st May 2006.
